

MUSIC MOVE GROOVE

Music Move & Groove is coming to GBPP this Spring!

Does your child LOVE music? This unique class is offered after preschool where kids have additional time to explore various **instruments, make musical crafts** and learn **new songs**.

We make everything from various shakers, harmonicas and tambourines, and even different types of drums!

A colorful parachute, stretchy band, and large piano mat make for loads of additional musical, singing and dancing fun!

Every month the kids have time to explore **additional instruments** such as a **drum set, piano keyboard, guitar, and hammer dulcimer!**

Pictures are taken every week to make a fun **photo scrapbook** highlighting all the activities at the end of the month as a special keepsake.

Thursdays, 12:00-1:15pm

\$40/month - based on a 4 week month

Songs... Musical Crafts... Instruments... Musical Fun!

Have questions? Contact Jennifer Stimpson at 757-620-5613, call or text.

You can also check out our Music Move & Groove Facebook Page.

**Jennifer is the music teacher at River Oak Preschool and began this program as a way to give children more time to enjoy music with an extended time to play instruments, and also unleash a little creativity with the various musical crafts we make! This program has now grown to be at two local preschools, and we are delighted to add GBPP (our 3rd preschool) into the mix!

A creative musical experience just for kids!
